Pope Francis

How sad it is when someone wants to give the heart a "facelift"! And today, we use the word "facelift" more than the word heart. How painful it is when someone wants to erase the "wrinkles" of so many encounters, of so much joy and sadness! The thought of when they advised the great Anna Magnani to get a facelift, comes to mind. She said: "No, these wrinkles have cost me my entire life; they are precious."

In a certain sense, this is one of the most dangerous, "unwitting" threats in the education of our adolescents: excluding them from their growth processes because adults take their place. And we find many adolescent parents, many. Adults who do not want to be adults and want to play at being adolescents forever. This "marginalization" can augment a natural tendency that young people have to isolate themselves or to stop their growth processes for lack of comparison. There is competition but no comparison.

Parish Share 2017

We are very grateful for the 331 parishioners who have responded so far. Please consider making a pledge to the PSP. A monthly financial report for PSP is given to the Diocese on a set date each month. **Payments received after that date are recorded in the report of the following month.** Thank you for your understanding.

Persons joining our parish have been asking the Greeters if we have a "cry room." The "cry room" is located off the main lobby of the church. Remember, a baby's cry is a welcome sound in our church. However, if parents feel more comfortable in the "cry room," please enjoy this air-conditioned/heated space.

Please . . .

be respectful and modest in what we wear to Church. Although circumstances at times necessitate leaving church before Mass is over, we should out of respect for the Mass, remain until the recessional hymn is over. Also, please silence all cell phones.

The Celebration of Mass for a Deceased Person

There are countless ways of memorializing a loved one. As noteworthy as these different ways are, nothing surpasses memorializing a deceased person by the celebration of the Mass. Please consider requesting a Mass for a deceased person at the time of death, an anniversary of death, the birthday of the deceased, etc.
