The Congregation and I are ever grateful for the respectful manner that you show in the distribution of Holy Communion. Please remember that men are to wear a suit or sport coat, shirt and tie and slacks. Women are to wear a suit, dress or slack outfit. We are one of the last parishes to hold fast to the above. Thank God!

In bringing up the Chalices, please avoid placing our fingers on the lip or cup of the Chalice; rather, please bring the Chalices two at a time, and holding the stem of the Chalices in doing so. I am sure you understand how important this is.

Father Gentile
